

Operate Safe Stage I Certificate Application Form

I certify that our company has

- Achieved at least Secondary Accreditation or is registered with ACC to achieve it.
- Carried out an internal audit to ensure that the company generally complies with the Operate Safe Industry Specific Audit Tool.
- Provided Roding New Zealand with its ACC number.
- Had all employees who visit work sites become holders of the Induction (Red) Card.# This requires these employees to have had
 - a company generic induction
 - site or task specific induction, and
 - obtained the Site Safe Civil Passport or equivalent.

Note – this requirement does not apply to employees holding, or studying for, the Bronze Card, or to employees of ACC Tertiary Accredited organisations and who undertake at least 10 hours of in-house training every year.
